Welcome Marcians !

Help research the history of our school - send in anything you find. The countdown to the 100 year celebration has started !

Website

There is still so much we can add to our website that as I sit here to do the next update it feels like I am about to enter the examination hall and write an O'Level exam !!

UK charity status

Received an email from John this morning. He has sent off over fifty pages of documentation to the Inland Revenue here in the UK in support of our request for UK Charity Status. Don't forget to read his [blog](#).

Photo slide shows

[Two photo slide shows](#) have been added to the Reunion section of our website.(The 2005 and 2006 reunion photographs.) The [2006 pics](#) have the [national anthem](#) playing in the background.

Contributions

You are welcome to send in video clips, sound clips anything to make our website the best reunion site ever.

Members area

The members area has been neglected - sorry! We have set time aside this weekend to tweak the pages and send out an email notification to all.
