John's visit to Swaziland

Dear Alumni

I am pleased to report that I had a very good holiday in Swaziland and made some good progress with both St Marks' Primary and High Schools.

I only had a two day window to visit the schools as my trip coincided with the end of the school term. Unfortunately this means that I didn't get as many photographs as I would have liked but the meetings I had were very constructive and I kept in contact with both administrations and alumni throughout my stay.
