Welcome Marcians !

Memories

Many thanks to John Tate for sending our latest photographs in. They have been added to our [1950s](#) and [1960s](#) sections.

Do remember to visit our (your) alumni website at least weekly as we are frequently updating and adding pages.

Photographs received from Frank Lambert and Trish Fisher have been uploaded and can be found under our [photographs](#) section.

Magazines

Archie Jenner reports that his sister struggled to view the PDF versions of the school magazines from her dial up connection in South Africa.

Willie Long then tested both dial up and broadband from Swaziland and we have agreed that as soon as the site is up-to-date we will include magazine pages in HTML (webpage) format.

Anyone struggling to view the PDF copies can [contact John O'Shea](#) and he'll send you a copy on disk.

www.aboutswaziland.com

Harold Shongwe and Beda Biswalo will officially launch www.aboutswaziland.com on 23rd September 2007.

I've had a sneak preview and it's looking really good and promises to hold a wealth of information on the Kingdom of Swaziland. [Why not take a look.....](#)

Our Members Area

Our projected deadline to have this operational is the end of September.

Link Pages

[Let us know](#) of any interesting links connected to Swaziland and we'll add them to the Links section.
