Basingstoke - Saturday 17th June 2006

It was fantastic to receive this email. Thank you so much. Unfortunately I am working at a show in London this weekend. Please keep me on your list for any further Swazi events. I would love to come along with my family.

Best regards
John Hartwig

Many thanks for the regular emails and up-dates from St Marks.

Unfortunately I'm unable to attend the Swazi Buffet in Basingstoke but I hope you all have an enjoyable time together on the 17th June.

Hi

I'd love to be there, but unfortunately it's a bit far to travel from South Africa.

Enjoy.

Hi

Regrets a little too far from Swaziland to be able to attend the buffet. Nice to follow the contacts you receive from old school folk. Keep up the great work.

What a pity we'll not be able to attend this one. Just for the record my Father lived in Hartley Wintney just near Basingstoke. We will be in UK Early August for a week or two visiting our children etc.

Cheers for now.

Hi

I love what you've done with the website. I can't make the June get-together, but will try for the next one.

Paul Porretta

I'm really sorry to be missing this reunion and hope to come to a future gathering.

Thanks for the information about the movie Wah Wah, I'm off to see it this afternoon.

Best wishes,
