Basingstoke - Saturday 17th June 2006

## Starting up a St Marks Alumni Charity

The main aim of the Alumni website is to keep us in touch and together  
Today's students are tomorrow's Alumni

Earlier this year John O'Shea visited both the Primary and High Schools.  
He found the Primary School especially lacking in resources.  
Alan Whiteside has especially requested we do not forget the AIDs orphans.

We would like the Alumni to set up a charity to help.
